

# WALK-IN HEIGHT UTILITY SERVICE VAN

## UTILITY SERVICE VAN

The STAHL Walk-In Height Utility Service Van is truly your workshop on wheels. Its sleek exterior body and full- height compartment doors enhance company image while giving maximum access to all of your tools and equipment . Each body compartment along with the loadspace area can be configured with optional drawers, racks, trays, lights, etc., in order to fit your specific application needs. Constructed of powder coated Galvanneal steel, the USV also comes standard with fully concealed bolt-on compartment door hinges, stainless steel latches and L.E.D. lights making great looking, long-lasting service van ideally suited for your fleet!

### WORK STANDING UP

72-inch vertical clearance provides enough interior height for the loadspace to be use as a work shop!

### PROTECTION FOR VALUABLES

Keyed-alike locks on each compartment door keep valuables secure. Optional, push-pull bar locks with padlock tabs can also be added to provide a second level of security

### HIGH SECURITY / LOW MAINTENANCE

Hidden door hinges provide added security while their bolt-on design makes them maintenance-friendly

### ENTER & EXIT THE WORK AREA WITH EASE

A drop-step bumper with grip strut step allows easy access to the interior work area

### LONG LASTING GOOD LOOKS

The service body exterior, compartment interiors and cargo area surfaces are finished in durable, corrosion-resistant white powder coat

Hidden Bolt-On Hinges

Stainless Steel Latches
