

Landmark Series

Luxury and Style

More than an extraordinary truck, Warner's Landmark hauler is an amazing collaboration of style, function and elegance. The Landmark epitomizes brilliance in engineering and design. Sweeping lines match the chassis' exterior to provide an extraordinary appearance. An exclusive torsion-mounted body design maximizes the unit's life and durability. Interior packages are relaxing and luxurious at the same time providing extreme comfort and relief. The Landmark hauler is clearly another dimension of creativity, beauty and design.

Innovation never stops

At Warner, we don't stop when we reach a target, we move on, ever improving our products. The Landmark hauler is a blend of innovation and sophistication that is on a different level from anything else on the road. Warner selects top-of-the-line materials and components to make every detail perfect for each individual. Warner's Landmark series represents the pinnacle of trailer towing haulers.

Landmark Series

The Landmark hauler from Warner is the ultimate in quality and aesthetics. Custom designed for most chassis models including Sterling, Freightliner, Ford, General Motors, International and others.
